

Season Dates - Rules of Thumb

Many hunters need to plan vacations and hunting trips in advance of the annual distribution of the Digest of Hunting and Trapping Regulations. For such planning purposes, here are the general rules of thumb used for setting annual season dates. Although there are no guarantees that these season dates will be used in future years, this is the best information available for those who must make plans well in advance of announcements of official season dates.

Crow - Oct. 28 - Feb. 28.

Dove - 90-day season. Split season opens Sept. 1 and runs approximately 75 days; reopens the day after Christmas and runs the remainder of the 90 days.
